

INDEX TO FEATURE ARTICLES PUBLISHED IN NNI
Volumes 1- March, 2011, 1993-2011
This listing does not include conference announcements or
conference reports.

NNI Volume 12, No.2 Date: June 2011

Controlling air-borne and structure-borne sound in buildings

J. David Quirt

NNI Volume 19, No.1 Date: March 2011

Testimony on an Occupational Noise Proposal by the Coalition for Workplace Safety

Stuart Sessions

NNI Volume 18 No.4 Date: Dec 2010

Third CAETS Forum on worldwide product noise emissions

Janet Moss, Noise Control Foundation, Poughkeepsie, New York, USA

International experience with noise emission reduction requirements and technical possibilities

Tor Kihlman, Sweden, Chair of the CAETS Noise Control Technology Committee

NNI Volume 18 No. 3 Date: Sept 2010

FAA aircraft noise impacts research roadmap

Raquel Girvin, Federal Aviation Administration

Policy options for sustainable transport with less noise

D. Schwela, Stockholm Environmental Institute

NNI Volume 18 No. 2 Date: June 2010

Worldwide noise sources

Janet Moss, Noise Control Foundation

NNI Volume 18 No. 1 Date: March 2010

The design of low-noise vehicles for air, road, and rail transportation

Janet Moss, Noise Control Foundation

NNI Volume 17 No. 4 Date: Dec 2009

INCE/USA Technical Activities

NNI Volume 17 No. 3 Date: Sept 2009

Asia-Pacific education in noise control

Janet Moss, Noise Control Foundation

NNI Volume 17 No. 2 Date: June 2009

Planning for a quiet new Washington State Route 520

Leonard Sielecki, British Columbia Ministry of Transportation and Infrastructure
Visitor perception of park soundscapes: A research proposal
*Paul Schomer, Schomer and Associates Inc; G. Randy Stanley, National Park Service;
Wilbur Chang, Schomer and Associates Inc*

NNI Volume 17 No. 1 Date: March 2009

European education in noise control

Janet Moss, Noise Control Foundation

NNI Volume 16 No. 4 Date: Dec 2008

Transport noise in Europe - An approach to the global noise issue. Report from a CAETS initiative

Tor Kihlman, Chalmers University of Technology

Hearing protectors "real world" performance and the European Directive 200310/EC

*Pierre Canetto, Institut National de Recherche et de Securite; Jeremie Voix, Sonomax
Hearing Healthcare Inc*

NNI Volume 16 No. 3 Date: Sept 2008

Noise control engineering education in the USA

Janet Moss, Noise Control Foundation

NNI Volume 16 No. 2 Date: June 2008

Public pressure - An effective force II

Janet Moss, Noise Control Foundation

NNI Volume 16 No. 1 Date: March 2008

Public pressure - An effective force

Janet Moss, Noise Control Foundation

NNI Volume 15 No. 4 Date: Dec 2007

2006 Global noise policy workshop III

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

NNI Volume 15 No. 3 Date: Sept 2007

2006 Global noise policy workshop II

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

Sound propagation: Review and tutorial

Gilles Daigle, National Research Council

NNI Volume 15 No. 2 Date: June 2007

2006 Global noise policy workshop I

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

Quality aspects of the European and global noise policies on environmental noise

Tjeert ten Wolde, European Commission

NNI Volume 15 No. 1 Date: March 2007

The availability of INCE/USA publications

Courtney B. Burroughs, Noise Control Engineering Journal

NNI Volume 14 No. 4 Date: Dec 2006

European noise policy and its links to global noise policy

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

NNI Volume 14 No. 3 Date: Sept 2006

Personal computer, printer, and portable equipment noise in classrooms

Robert D. Hellweg Jr., Hewlett-Packard Co; Egons K. Dunens, Hewlett-Packard Co;

Terrence Baird, Hewlett-Packard Co

Noise of consumer products: Consequences for environmental health

Dieter Schwela, York University

NNI Volume 14 No. 2 Date: June 2006

ASA-INCE/USA synergy

Gerald C. Lauchel, The Pennsylvania State University

Workshop on noise policy developments - Q&A

George Maling, INCE/USA; William Lang, INCE/USA

NNI Volume 14 No. 1 Date: March 2006

Sustainable development in an urbanizing world - The noise issue

Tor Kihlman, Chalmers University of Technology

Workshop on noise policy developments

George Maling, INCE/USA; William Lang, INCE/USA

NNI Volume 13 No. 4 Date: Dec 2005

No feature published in this issue

NNI Volume 13 No. 3 Date: Sept 2005

Second annual workshop on global noise policy

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

NNI Volume 13 No. 2 Date: June 2005

Comparative measurements of tire/pavement noise in Europe and the United States

Paul R. Donovan, Illingworth and Rodkin Inc

NNI Volume 13 No. 1 Date: March 2005

No feature article in this issue

NNI Volume 12 No. 4 Date: Dec 2004

First annual workshop on global noise policy

William W. Lang, I-INCE; Tjeert ten Wolde, I-INCE

NNI Volume 12 No. 3 Date: Sept 2004

Frist annual workshop on U.S. noise policy developments

William W. Lang, Noise Control Foundation

NNI Volume 12 No. 2 Date: June 2004

Sound design of machines from a musical perspective

Hugo Fastl, AG Technische Akustik

NNI Volume 12 No. 1 Date: March 2004

Overive of I-INCE technical activities

Alan H. Marsh, I-INCE

NNI Volume 11 No. 4 Date: Dec 2003

No feature article in this issue

NNI Volume 11 No. 3 Date: Sept 2003

Highway traffic noise barriers in the U.S. - Construction trends and cost analysis

Kenneth D. Polcak, Maryland State Highway Administration

NNI Volume 11 No. 2 Date: June 2003

No feature article in this issue

NNI Volume 11 No. 1 Date: March 2003

Transportation noise and recreational lands

Nicholas P. Miller, Harris Miller Miller & Hanson Inc

NNI Volume 10 No. 4 Date: December 2002

International INCE and INCE/USA technical activities: Overview of I-INCE technical activities

Gilles A. Daigle,

NNI Volume 10 No. 3 Date: September 2002

INTER-NOISE 2002 Panel Summaries

NNI Volume 10 No. 2 Date: June 2002

An overview of U.S. noise policy

Lawrence S. Fingold, Finegold & So, Consultants; Michiko So Finegold, Finegold & So. Consultants; George C. Maling Jr., INCE Managing Director, Emertius

NNI Volume 10 No. 1 Date: March 2002

NNI Volume 9 No. 4 Date: December 2001

Japanese industrial standards for the determination, declaration, and verification of noise emitted by machinery and equipment - State of the art

Masaru Moyasu, Acoustical Engineering Lab

NNI Volume 9 No. 3 Date: September 2001

Noise emissions of road vehicles effect of regulations - Final Report 01-1

I-INCE working party on noise emissions of road vehicles ,

NNI Volume 9 No. 2 Date: June 2001

Noise abatement and improvement: The systematic approach

Tor Kihlman, Chalmers University of Technology

EU emission requirements on outdoor equipment

NNI Editorial Staff

NNI Volume 9 No. 1 Date: March 2001

NNI Volume 8 No. 4 Date: December 2000

Noise control engineering for the airport railway in Hong Kong - Setting the standards

Glenn Frommer, MTR Corp Ltd

NNI Volume 8 No. 3 Date: September 2000

Room noise criteria - The state of the art in the year 2000

Gregory C. Tocci, Cavanaugh Tocci Associates Inc

NNI Volume 8 No. 2 Date: June 2000

Approaches to teaching environmental noise sciences

Dietrich Schwela, World Health Organization; Lidia Morawska, Queensland University

Overview of Japanese environmental regulations on noise

NNI Editorial Staff

NNI Volume 8 No. 1 Date: March 2000

The World Health Organization guidelines for environmental noise

Deitrich H. Schwela, World Health Organization

NNI Volume 7 No. 4 Date: December 1999

Noise on the 'Net

George C. Maling Jr, NNI Managing Editor; William W. Lang, NNI Feature Editor

NNI Volume 7 No. 3 Date: September 1999

Technical assessment on the effectiveness of noise walls - Final report

I-INCE,

NNI Volume 7 No. 2 Date: June 1999

Reduction of noise emission of construction machines due to the "Blue Angel" Award

Volker Irmer, Umweltbundseamt; Eberhard Fisher-Sheikh Ali, Umweltbundseamt

Noise control: Principle and practice - Part 15

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 7 No. 1 Date: March 1999

Program summary - 1998-1999

I-INCE,

NNI Volume 6 No. 4 Date: December 1998

Noise control standards for machinery and workplaces

Hans Lazarus, Bundesanstalt für Arbeitsschutz und Arbeitsmedizin; Dorit Zimmerman, KAN Secretariat

Advanced in acoustic standards and electroacoustics

George S.K. Wang, National Research Council

Noise control: Principles and practice - Part 14

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 6 No. 3 Date: September 1998

Reporting guidelines for community noise reaction surveys

James M. Field, Self

Noise control: Principle and practice - Part 13

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 6 No. 2 Date: June 1998

Standards for a quieter world: Some acoustical reflections from the UK National Physical Laboratory

Bernard F. Berry, National Physical Laboratory

NNI Volume 6 No. 1 Date: March 1998

Technical assessment of the effectiveness of noise walls - Draft report

I-INCE,

Noise control: Principle and practice - Part 12

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 5 No. 4 Date: December 1997

Technical assessment of upper limits on noise in the workplace - Final report

I-INCE

NNI Volume 5 No. 3 Date: September 1997

Recent activities in noise and vibration control engineering in Japan

Masaru Koyasu, Chiba Institute of Technology

Noise control: Principle and practice - Part 11

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 5 No. 2 Date: June 1997

Future noise policy: European commission green paper

Commission of the European Communities,

NNI Volume 5 No. 1 Date: March 1997

Recent developments in international standardization

Leif Nielsen, Danish Standards Association; Liselotte Sorensen, Danish Standards Association

NNI Volume 4 No. 4 Date: December 1996

The costs of silence: A survey of individual value judgments of specific noise control measures

Tor Kihlman, Chalmers University of Technology; Soren Wibe, Sweden's Agricultural University; Siv M. Johnasson, Karlstad College

Noise control: Principle and practice - Part 10

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 4 No. 3 Date: September 1996

Effects of noise on health

Committee of the Health Council of The Netherlands ,

Noise control: Principle and practice - Part 9

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 4 No. 2 Date: June 1996

Applications for active control of sound and vibration

Jiri Tichy, The Pennsylvania State University

NNI Volume 4 No. 1 Date: March 1996

Professional societies in the fields of acoustics and noise control - Their publications and their conferences

NNI Editorial Staff ,

Noise control: Principle and practice - Part 8

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 3 No. 4 Date: December 1995

Regulations for community noise

Dieter Gottlob, Federal Environmental Agency

Noise control: Principle and practice - Part 7

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 3 No. 3 Date: September 1995

Glossary of terms used in noise control engineering

I-INCE ,

Noise control: Principle and practice - Part 6

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 3 No. 2 Date: June 1995

Technical assessment of the effect of regulations on road vehicle noise

I-INCE ,

Noise control: Principle and practice - Part 5

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 3 No. 1 Date: March 1995

Progress in building acoustics

A. Cops, K.U. Leuven; G. Vermeir, K.U. Leuven

Noise control: Principle and practice - Part 4

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 2 No. 4 Date: December 1994

Report by the International Institute of Noise Control Engineering working group on "Upper limits on noise in the workplace"

Tony F.W Embleton, I-INCE

Noise control: Principle and practice - Part 3

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 2 No. 3 Date: September 1994

Directives, standards, and European noise requirements

Roger F. Higginson, Higginson Acoustics Ltd; Jean Jacques, National Research and Safety Institute; William W. Lang, NNI

Noise control: Principle and practice - Part 2

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 2 No. 2 Date: June 1994

Active noise control

S.J. Elliot, University of Southampton; P.A. Nelson, University of Southampton

Noise control: Principle and practice - Part 1

Stig Ingemansson, Ingemansson Technology AB

NNI Volume 2 No. 1 Date: March 1994

Subject classificaiton for noise control engineering

NNI Editorial Staff

NNI Volume 1 No. 4 Date: December 1993

Sweden's action plan against noise

Tor Kihlman, Chalmers University of Technology

NNI Volume 1 No. 3 Date: September 1993

The relationship of the exchange rate to noise-induced hearing loss

Alice H. Suter,

NNI Volume 1 No. 2 Date: June 1993

Effects of noise on people

Henning E. van Gierke, Kenneth McK. Eldred,

NNI Volume 1 No. 1 Date: March 1993

Design and performance of a hemi-anechoic room for measurement of the noise emitted by computer and business equipment

William W. Lang, IBM Acoustics Laboratory; George C. Maling Jr., IBM Acoustics Laboratory; Matthew A. Nobile, IBM Acoustics Laboratory; Russell E. Wise IBM Acoustics Laboratory; David M. Yeager IBM Acoustics Laboratory
